5.1. OceanaGold Update

**Waihi North Project Update**

OceanaGold has received confirmation that its application for the Waihi North Project under the Fast-track approvals process has been accepted as complete by the Environmental Protection Authority (EPA). The application now proceeds to the appointment of an independent expert panel. The original consent application under the Resource Management Act 1991 will now be withdrawn. The full Fast-track application will be publicly available on the [Fast-track website](#)

### Ask the Experts About – Noise Effects, Waihi North Project

A session about noise effects continues our *Meet the Expert* series, which is designed to provide opportunities for people to speak directly with independent experts and ask questions on mining-related topics.

On 22 May between 10am and 2pm, Steve Peakall from Marshall Day Acoustics will be available in our Project Information Office to answer questions about the potential noise effects of the Waihi North Project including construction activities, helicopter movements, drilling and blasting operations, excavation, conveying and the transport of rock and ore.

### Real Estate Agent meeting

On 30 April we held a meeting for the purpose of providing local real estate agents with an update on our operations and proposed projects. Twenty-six agents attended the session, with representation across all agencies that operate in the Waihi and surrounding areas.

### Hauraki Employment and Training Advocacy Group

OceanaGold staff attended a Hauraki Employment and Training Advocacy Group meeting on 7 May. The group includes representatives from Gr8 Job Hauraki, MSD, and other relevant transitional industry training organisations. OceanaGold staff spoke to the group about the company's Community Skills Development and Training Programme, which includes driver training and mining skills development experience for Waihi College students considering a career in the mining industry. They also communicated the requirements and skills needed for those seeking potential future employment in the industry. Our Community Development Advisor will continue to work with the group on providing opportunities and pathways for local employment.

Hi all

I have just had a chat with Scott Spicer re the NZ Youth Week event that the Pacific Coast Institute is holding at the Waihi Events Center next Thursday 22 May.

They are looking at funding to have a make up station at the event and would like \$200 for this.

These guys are doing amazing work for youth in our community who require a helping hand and I think it sounds like a great afternoon and a way for us to give back on a smaller scale while we are waiting on the big projects to completed.

Can everyone please let me know today if you are happy / unhappy to proceed with this

Thanks

Bindy
